

## **How to Grow AAUW Scottsdale Scholarship Funds**

An easy and painless way to leave money to the AAUW scholarship fund is to name our fund on a Transfer on Death Directive (also known as Payable on Death Replacement Agreement) for any individual bank or stockbrokerage account.

Usually you can make this directive by simply going to your bank or stock broker to prepare their basic form. The funds will go to the scholarship upon your demise and there is no probate or need to change any existing will or trust.

### **The proper designation would be:**

Maricopa Community Colleges Foundation

AAUW Scottsdale- SCC- #5519
